WHY WORK WITH US?

We are customer driven. We listen to your thoughts and ideas. We strive to be flexible in managing the construction process to serve the needs of your organization.

We are versatile. BCM offers experience and expertise with a wide variety of construction markets including: Industrial, Commercial, Agricultural, and Public Works.

We are builders in the truest sense. We perform major portions of each construction project with our own work forces, thus ensuring tighter control of both quality and schedule.

INDUSTRIAL

BCM leads the way in the industrial construction industry by offering a diverse range of building choices. Our clients include distributors, manufacturers, and bottling facilities.

COMMERCIAL

BCM offers construction solutions for large scale building projects. From professional suites to medical plazas we have the experience necessary to deliver the highest quality commercial construction.

PUBLIC WORKS

BCM has partnered with public works organizations to build classrooms, school offices, gymnasiums, stadiums, parks, public spaces, and buildings.

AGRICULTURE

BCM headquarters is located in the heart of Northern California's agricultural region. Our expertise has earned us an outstanding reputation with our agricultural clients: the farmers who feed America.
